## POSITION VACANCY

**Position Available:** Advanced Practice Provider II  
# 405-48-201

**Location:** AppHealthCare - Alleghany Health Center, 157 Health Services Road, Sparta, NC and  
Sparta School Based Health Center, Sparta, NC

**Salary:** \$80,100-126,684  
Salary negotiable based on qualifications and experience

**Hours:** Full time, between the hours of 7:00am and 6:00pm to serve patients during normal clinic hours of operation which are Monday-Friday, 8:00am - 4:45pm. Potential to work outside normal hours for client needs, special events, or public health emergencies.

**Closing Date:** Open until filled

### Job Summary:

- Serves the School-Based Health Center at Sparta Elementary to foster a healthy student community through the provision of accessible quality medical care to influence health habits and behaviors which promote the development of young minds and bodies that are ready and eager to learn.
- Serves the Alleghany Health Center by providing primary care and public health services at our dual-entity Local Health Department and Federally Qualified Health Center.

### Major Duties and Responsibilities:

Seek to improve the health and safety of the student body by delivering comprehensive and accessible healthcare services to all enrolled clients. Provide high quality preventive public health and primary care services to clients of all ages. Collect health histories, perform physical exams, and offer education, counseling and treatment to clients seeking health services. Ongoing supervision from the Medical Director includes defined patient care protocols and guidelines with availability for prompt consultation.

### Knowledge, Skills and Abilities:

Thorough knowledge of techniques of interviewing, medical and relevant history taking, principles and practices of general medicine and disease states as they relate to the area of work; thorough knowledge of health appraisal tools, laboratory tests and findings, advanced physical assessment, advanced pathophysiology, advanced pharmacology, and therapeutic procedures as related to the area of work; thorough knowledge and ability to plan a regime of care based on assessment and findings; considerable knowledge of available
