

Career Posting – Temporary Nutritionist II

The Community

AppHealthCare serves the vibrant communities of Alleghany, Ashe and Watauga Counties nestled in the beautiful Blue Ridge Mountains in Northwestern North Carolina. Take a quick look around and witness the many expressions of community pride and southern hospitality – a smile from someone walking downtown, thriving culinary scene and plenty of outdoor adventure. We experience the beauty of four seasons from white fluffy snow to colorful fall foliage. There is simply something special about these mountains and quaint small town feels – come see for yourself!

Caring for Our Community

We are a local public health department and health center focused and committed to improving our communities' health and well-being through compassionate, high-quality care. We have about 120 full/part time employees and about 10 contract employees. We are governed by two boards who provide strategic direction and oversight on agency functions. We have received numerous awards and distinctions for the care we provide and have recently achieved accreditation with honors. We are committed to caring for our community and providing excellent customer service.

Position: Temporary Nutritionist II

June 3rd, 2024 – September 27th, 2024

Location: Watauga Health Center

Salary: \$42,480 - \$67,188

Salary negotiable based on qualifications and experience

Hours: Full-time, between the hours of 7:00 am and 6:00 pm to serve patients during normal clinic hours of operation which are Monday-Friday, 8:00 am-4:45 pm. Potential to work outside normal hours for client needs, special events, or public health emergencies.

This is a temporary position, June 3rd, 2024 – September 27th, 2024

Closing Date: May 31, 2024

Job Summary: We are seeking a highly skilled and motivated Nutrition Professional to provide exceptional participant services, including nutrition assessments, education, and support. This role will also involve promoting breastfeeding,

outreach to the WIC program, vendor management, and other responsibilities as assigned by management.

As a key leader in the program, this position will be responsible for developing and training Low-Risk Nutrition Education lessons, requiring strong communication and instructional skills. The ideal candidate will possess excellent oral communication skills, able to effectively communicate with participants through various channels, including phone, email, chat, and in-person interactions.

This position requires strong self-motivation and the ability to work independently, often remotely from the main WIC program team.

Knowledge, Skills & Abilities

Specialized knowledge and skill in comprehensive nutrition assessment and care planning, including problem diagnosis, counseling, and evaluation of clients from diverse backgrounds, ages, and with multiple and complex health and therapeutic nutritional needs. Knowledge of human behavior and techniques for effecting behavior change with considerable skill in counseling. Broad knowledge in health care ethics, documentation in the medical record, and quality assurance. Knowledge in the organization of community health and nutrition resources. Sophisticated knowledge of current scientific information regarding nutrition, diet, and health and the ability to relate this information to clients, professionals, and the general public. Skill in conducting a nutrition education or community needs assessment. Fundamental knowledge of current principles and practices of public health, and program coordination. Ability to interpret policy and protocols into operational procedures and work priorities. Skill in organizing and coordinating the work of others. Full range of skill in presenting ideas orally and in writing in a clear, concise manner.

Minimum Education & Experience

Registered Dietitian with the Commission on Dietetics Registration; or Master's degree in Dietetics, Public Health Nutrition, or Nutrition; or graduation from a Commission on Accreditation for Dietetics Education- approved Didactic Program in Dietetics and two years nutrition experience; or Dietetic Technician, Registered with the Commission on Dietetics Registration with a Bachelor's degree in any subject area from an accredited four-year college or university and two years nutrition experience; or a Bachelor's of Science degree in Dietetics, Public Health Nutrition or Community Nutrition from an accredited four-year college or university and two years nutrition experience.

How to Apply

Complete a [NC State Government Application for Employment \(PD-107\)](#). The application is located on the NC Office of State Human Resources website. The application can be completed in hard copy or electronically.
