Career Posting – Medical Provider

The Community

AppHealthCare serves the vibrant communities of Alleghany, Ashe, and Watauga Counties nestled in the beautiful Blue Ridge Mountains in Northwestern North Carolina. Take a quick look around and witness the many expressions of community pride and southern hospitality – a smile from someone walking downtown, a thriving culinary scene, and plenty of outdoor adventure. We experience the beauty of four seasons, from white fluffy snow to colorful fall foliage. There is simply something special about these mountains and quaint small-town feels – come see for yourself!

Caring for Our Community

We are a local public health department and health center focused on and committed to improving our communities' health and well-being through compassionate, high-quality care. We have about 120 full/part-time employees and about 10 contract employees. We are governed by two boards that provide strategic direction and oversight of agency functions. We have received numerous awards and distinctions for the care we provide and have recently achieved accreditation with honors. We are committed to caring for our community and providing excellent customer service.

Job Summary: Serves the clients of AppHealthCare by providing preventive, primary care, and public health services.

Major Duties & Responsibilities

Provide high-quality preventive public health and primary care to clients seeking healthcare services. Collect health histories, perform physical exams, and offer education, counseling, and treatment to clients seeking healthcare services within Primary Care and Child Health Services.
Ongoing supervision from the Medical Director includes defined patient care protocols and guidelines with availability for prompt consultation.

Knowledge, Skills & Abilities

Thorough knowledge of techniques of interviewing, medical and relevant history taking, principles and practices of general medicine and disease states as they relate to the area of work; considerable knowledge of health appraisal tools, laboratory tests and findings, advanced physical assessment, advanced pathophysiology, advanced pharmacology and therapeutic procedures as related to the area of work; considerable knowledge and ability to plan a regimen of care based on assessment and findings; working knowledge of available resources and appropriate referral methods. Skill in performing clinical functions. Ability to examine patients and detect abnormalities; ability to record accurately and completely all information necessary to evaluate and plan care and to convey this to the physician; ability to communicate orally; ability to teach and counsel individuals, families, and groups in areas of health maintenance, preventive medicine, and care of the sick; the ability to establish and maintain effective working relationships with staff, and to gain the confidence of patients and families and work effectively with them. Work requires judgment in the application of accepted patient care protocols and medical guidelines in the area of assignment to determine the appropriate course of action.

Minimum Education & Experience

Licensed as a Physician Assistant by the North Carolina Medical Board or approved to practice as a Nurse Practitioner or Certified Nurse Midwife by the North Carolina Board of Nursing and the North Carolina Medical Board.

How to Apply

Complete an NC State Government Application for Employment (PD-107). The application is located on the NC Office of State Human Resources website. The application can be completed in hard copy or electronically.

A completed state application, including cover letters and resumes/CVs, should be sent to Human Resources by email to careers@apphealth.com or dropped off in person at the AppHealthCare Alleghany Health Center at 157 Health Services Road in Sparta, NC.
